

**MELODIC PIANO STUDIOS
CONTRACT**

Welcome to Melodic Piano Studios! We hope that it will be a great year of fun and learning with a little hard work thrown in there. Always feel free to bring up any concerns or questions you may have and we can discuss these and resolve them in a quick and timely matter.

Please review the contract carefully prior to signing and then print TWO copies, one for the teacher to sign and one for you to have in your personal file.

Policies of Melodic Piano Studios

24 hour cancellation must be provided in order to have the lesson made up within the semester. (2 make-up lessons allowed/semester) If there is no 24 notice, the lesson is considered to be completed and will not be made up.

If there are up to 2 lessons to be made up, they must be made up within that semester (i.e.: Fall/Winter/Spring.) They cannot be held over into a new semester.

If a student no longer wants to take lessons and wants to cancel his/her contract before it has been completed, the request must be submitted in writing two weeks prior to termination of contract. However, the lesson would continue until the end of that said month and the contract would be terminated on the first day of the following month. For example. The student wants to cancel the contract and puts it in writing on October 15th. The following two lessons (that have already been paid for) would continue until the end of that month. The last lesson would end the last week of October.

STUDENT REFERRALS: If a student refers TWO OR MORE friends, the student will get a free lesson or have one lesson deducted from the following month of payment.

I, _____, confirm that I have read, agree with and understand the above policies of Melodic Piano Studios.
